PROFESSIONAL SUMMARY

Growth-focused Marketing & E-commerce leader with 15+ years across UAE, KSA, and Egypt, building end-to-end acquisition and conversion engines for D2C and B2B businesses. Strong in WooCommerce/WordPress/ZID/SALLA growth, performance marketing (Meta, Google, TikTok), CRO, and lifecycle marketing (email + automation), with proven ability to lead cross-functional teams from strategy to execution. Agile-minded and systems-driven, using task management tools (ClickUp, Trello, and similar platforms) to run sprints, manage roadmaps, and keep delivery fast and measurable. Proven impact includes launching e-commerce, scaling organic reach, improving offline sales, and supporting revenue growth through ERP-ready workflows and disciplined execution.

PROFESSIONAL EXPERIENCE

► Marketing & E-commerce Growth Manager

May 2024 – Present

HÄLSA BAKE — Al-Shehail Food Industries LLC (UAE) - UAQ, UAE.

Role Scope: Led marketing and e-commerce for a clean-label healthy bakery brand serving UAE consumers via online shop and retail partners.

Responsibilities:

- Developed the full **marketing & sales strategy**, and a 5-year **product growth** roadmap.
- Planned and executed **e-mail marketing** campaigns.
- Owned the end-to-end **marketing and e-commerce** engine.
- Built and managed the **WooCommerce** store with on-page **SEO** and optimized the end-to-end **sales funnel** to reduce drop-offs and improve conversion.
- Planned and ran **performance campaigns** (Meta, TikTok & Google) focused on new customer acquisition and repeat orders with target **ROAS of 4.5x**
- Led **brand identity and packaging design**.
- Established and enforce **Odoo ERP** across departments.
- Built an **organic-first** social strategy.

KPIs: Achieved ~1.5M organic reach/month, contributing to ~25% uplift in offline sales. Launched the e-commerce channel, adding ~200 new customers per month with ~25% month-over-month growth, ~AED 150 AOV, and ~15% repeat customer rate.

► Marketing & Business Operations Lead

Mar 2021 – Present

EL SHOHAIL TRADING (Al-Shehail Group) - Riyadh, Saudi Arabia

Role Scope: Led marketing and business operations for a B2B food-processing machinery company in KSA, driving digital transformation. Implemented ERP-led workflows.

Responsibilities:

- Led the company's first full **Odoo ERP** implementation.
- Improved **inventory planning and procurement** by identifying high-demand SKUs
- Upgraded the product portfolio by introducing **premium international** brands.
- Launched and managed **paid** acquisition across Meta and Google.
- Planned and executed email marketing campaigns.
- **Managed and coordinated** the internal delivery team across **design, content, and customer service**, ensuring fast execution, consistent branding, and strong lead handling.
- Designed and redeveloped the **company website** multiple times, including launching the latest **e-commerce** website to support direct sales and improved customer experience.
- Strengthened brand visibility and dealer acquisition through **Exhibitions**, expanding wholesale relationships and elevating brand value in the Saudi market.

KPIs: Grew annual revenue from ~SAR 7M to ~SAR 10M in year one and sustained ~10% YoY growth; ; grew social following to ~50K across platforms while reaching ~1M monthly; launched an e-commerce website generating SAR 250K+ in its first year.

► COO & Marketing Lead

Jan 2021 – Present

Group Marketing & Digital Growth Lead (Al-Shehail Group)

Role Scope: Lead cross-branch initiatives across **UAE, KSA and Egypt**, delivering marketing, **digital growth**, and business systems rollout across **multiple brands** under the same ownership. Own workflow design, adoption governance, and cross-functional delivery, and operational enablement to accelerate execution & outcomes.

Responsibilities:

- Led cross-branch initiatives across **UAE, Saudi Arabia and Egypt**.
- Planned and rolled out business systems including workflow design, adoption, and governance.
- Oversaw marketing delivery across projects: **strategy, campaigns, performance** tracking, and **growth** roadmaps.
- Built and optimized Websites experiences for **UX**, conversion, and **SEO** to improve visibility and **lead generation**.
- Created technical **content frameworks** to improve **lead quality** for high-consideration buyers.
- Coordinated brand identity and digital assets for exhibitions/trade events.
- Managed the group's **marketplace** & commercial arm for professional cooking tools across **WooCommerce, Amazon, Noon, Zid & Salla** optimizing listings, pricing, promos, and storefronts.

Projects: HÅLSA-BAKE, EL-Shohail Trading, ZadMak, Zucchelli Forni, Al-Amin Clinics.

Note: All current roles are under the same ownership (Al-Shehail Group) with cross-brand responsibilities; I lead separate teams and deliver distinct KPIs for each business in parallel.

► Co-Founder & Head of Growth

Jan 2014 – Dec 2020

IDEAEG EDUCATION GROUP- Egypt/Part-time

IDE Academy (Programming Education Center)

- **Co-founded** and led the growth of a programming **training center** for youth and early-career professionals.
- Owned marketing end-to-end: **social media calendar, content, design, paid ads, and website development**.
- **Co-designed training programs** with instructors to match market needs and employability outcomes.
- Developed an interactive, hands-on **learning approach** to improve engagement and learning results.
- Built course operations systems: scheduling, instructor coordination, student communication, and quality tracking.
- Implemented community-led marketing and basic **CRM** tracking.

IMA Academy (Makeup & Fashion Education Center)

- launch and grow a **makeup and fashion education academy** targeting young women and aspiring professionals.
- Positioned the academy as a career gateway through success stories, and strategic collaborations.
- Built content strategies around short-form videos, transformations, behind-the-scenes, and live workshop coverage to drive enrollments.

Strategic Partnerships & Apple Education Authorization

- Secured AATP Apple Education authorization for programming training via Learn Quest (Apple partner).
- Manage & hosted **Apple** Tech Lead **Mr. Boris Hernan** for 1st **ATTP** Program in Egypt.
- Built university partnerships (AUC, GUC, Ain Shams) to support Apple-aligned curriculum adoption.

KPIs: ~20% YoY enrollment growth; 250,000+ followers; ~5,500 total students; ~EGP 20M total revenue; cohorts every ~45–60 days (12–18 seats) with premium hands-on pricing.

► Digital Marketing Manager

Jan 2016 – Dec 2020

POINTER ADVERTISING - Egypt

Role Scope: Led day-to-day agency delivery as a part-time Digital Marketing Manager and team lead, managing multi-client accounts end-to-end across strategy, execution, and optimization. Owned performance marketing (Meta + Google) with clear KPIs, ensured consistent output across social/content/web/SEO, and acted as the main link between clients and internal teams to deliver campaigns, calendars, approvals, and reporting on time.

Responsibilities:

- Led the agency delivery team and ensured consistent execution across multiple accounts.
- Oversaw core service lines: Social Media, Media Buying, Content Creation, Development, and SEO.
- Planned, launched, and optimized Meta and Google campaigns with clear KPIs (leads, bookings, sales), using performance data to guide targeting and creative iterations.
- Managed client communication, content calendars, approvals, and weekly performance reporting with internal coordination across design, copy, media, and web teams.
- Supported **graphic design** tasks as needed to deliver campaign creatives and marketing assets.

Projects: Prof. Karim Sabry, Dr. Hussein Ashour, Dr. Tolat El Samni, Dr. Nadia Lotfy, Dr. Osama El Teih; FABZ, Atlético Madrid Academy, Gama Academy.

► Social Media Manager

Jan 2015 – Dec 2015

MEHRAT – Middle East Human Resources and Alignment Training

- Managed **social calendar** + **paid campaigns** for corporate training and public workshops.
- Built messaging and lead flows to support registration and seat-fill.
- Promoted individual tracks (HR, negotiation, marketing, business management).
- KPI: Supported programs for **Etisalat, Vodafone, Pepsi, El Sewedy Electric**; 600+ trainees enrolled.

InnoEgypt (UN-Supported Event Campaign)

- Supported performance campaigns to scale registrations under tight timelines.
- KPI: Reached ~110% of the 3,000 attendance target.

► Digital Marketing Team Lead

March 2014 – Dec 2014

CSC EXPORT & IMPORT COMPANY LTD- Egypt

- Led a small digital team (**website, catalogs, social**) supporting export operations.
- Updated company websites content and key pages, supporting on-page SEO fundamentals.
- Wrote and published blog content to improve organic visibility and support product discovery.
- Improved product presentation and online visibility across key markets (**China, KSA, Egypt, Australia**).

► Digital Marketing Executive

Jan 2012 – Aug 2013

TAJERINN.COM (Eid Labib Group) - Egypt

- Created social media content and managed the posting calendar to support e-commerce promotions
- Designed marketing visuals and basic creative assets for ads and product/category highlights.
- Updated website content and key pages, supporting on-page SEO fundamentals.
- Wrote and published blog content to improve organic visibility and support product discovery.

► Digital Marketing Executive

Mar 2009 – Dec 2011

HyperPlus HyperMarket (Eid Labib Group) - Egypt

- Created social media content and managed the posting calendar to support e-commerce promotions
- Designed marketing visuals and basic creative assets for ads and product/category highlights.
- Updated website content and key pages, supporting on-page SEO fundamentals.
- Wrote and published blog content to improve organic visibility and support product discovery.

EARLY CAREER — SELF-TAUGHT DIGITAL BUILDER

Started in 2005 as a self-taught **digital builder**—creating **websites** and **community forums** from scratch (**HTML/CSS, basic PHP, VBulletin**) and growing audiences through content publishing and early social communities. This early foundation in building, launching, and optimizing digital experiences became the passion that still drives my work in growth marketing and e-commerce today.

Digital Marketing Executive

Feb 2005 – Jan 2009

MICRO4HOST — Co-Founder - Egypt

- **Co-founded** a small web/hosting projects studio delivering websites and online presence for early clients.
- Built and launched community-driven websites using **HTML, CSS, basic PHP**, and **CMS** platforms (**VBulletin**), owning end-to-end delivery from information architecture and **UI/UX** to feature setup, theming, user roles/permissions, and ongoing optimization for engagement and usability.
- Built **high-traffic** community platforms focused on **content** publishing, **user engagement**, and daily moderation.
- Applied early **SEO** fundamentals and traffic growth practices through content and community activity.
- Delivered **website** maintenance, **content** updates, and **performance** improvements
- As social platforms emerged, launched and managed early community channels for these projects across **Facebook (Pages/Groups), MSN/Windows Live communities, MySpace, and Yahoo Groups**, driving audience growth and traffic back to the websites.
